That said, I will adjourn

This request is made as a result of the need to obtain additional information from the sentence Connecticut Department of Mental Health and Addiction Services ("DMHAS") which, based on from information provided to date, appears prepared to accept the Defendant into a confinement program similar, from a treatment perspective to the Special Populations Program, which the Defendant previously participated in. to May 7, 2008 at 9:45am. The requested adjournment will enable counsel for the Defendant to obtain the precise details as to the nature of the program which might be of benefit to the Court in terms of any decisions it may make related to (i) a potential reconsideration of its sentencing decision, (ii) whether the Court determines to make the Defendant's Federal sentence concurrent with the Defendant's State criminal sentence, and (iii) whether the Court's wishes to indicate its willingness or consent to allow the Federal Bureau of Prisons to designate a Connecticut State correctional facility or perhaps the DMHAS facility as a place for his Federal incarceration, after appropriate investigation by the Federal Bureau of Prisons. I appreciate your consideration of this matter and look forward to your response.
